*Real men TALK about health!*

[bravemeninc.com](http://bravemeninc.com)

The mission of Brave Men Inc is to elevate awareness and emphasize the significance of early detection in prostate cancer, fostering open conversations about men's health and providing unwavering support to individuals and their families throughout their journey.

### The Brave Box

A care box of items that men may need along their prostate cancer treatment journey, including stress ball, pain reliever, gas relief, hot & cold pack, absorbant undergarments, guards and urine leakage protection, face & body wipes, a peppermint inhaler and mints.

Complimentary Brave Boxes are given to men by participating urology practices, support groups and community partners. They can also be ordered on [Bravemeninc.com](http://Bravemeninc.com).

Each Brave Box costs \$25\* to produce

*\*Actual costs may vary*
